HYUNDAI IRELAND FLEET GUIDE

www.hyundai.ie/hyundaifleet

WELCOME TO THE HYUNDAI FLEET GUIDE

www.hyundai.ie/hyundaifleet

Hyundai is now firmly established as Ireland's fastest growing car brand and we are delighted to introduce you to our exciting fleet model line-up.

Our fleet passenger car range comes standard with our industry leading 5 year warranty package which includes 5 Years Unlimited Mileage Warranty (manufacturer backed) 5 years AA cover and 5 years vehicle health check.

Our commercial vehicle range comes standard with 3 years warranty which includes 3 Years 100,000km Warranty (manufacturer backed), 3 years AA cover and 3 years vehicle health check.

Taxes are increasing on all vehicles based on CO₂ emissions, this makes selecting cars with low CO₂ ratings vital when choosing fleet vehicles.

Look at any of our range of low CO₂ vehicles from the i10 to the Santa Fe and find out why we can now offer you affordable driving without compromise.

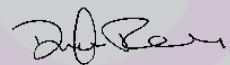

As well as reducing your carbon footprint we can also save you money. Not only do our vehicles give you fantastic TCO (total cost of ownership), but our Fleet policy ensures you of the very best aftersales care.

As part of our comprehensive fleet programme we are able to offer all our customers a finance solution tailored to suit individual needs. We have worked with our financial partners to ensure we have competitive finance solutions.

As a direct result of exceeding our customers and

competitors expectations, we are working hard to establish Hyundai as a key player in the Irish fleet and corporate business sector. We hope that you will place your trust in us and will allow us to deliver a superb product along with the very best in customer care.

Many thanks for your consideration,
Darragh Brennan

ABOUT

ABOUT HYUNDAI

Hyundai Ireland is firmly established as Ireland's fastest growing car brand. During 2013 our market share has grown to over 8% and over the coming years our aim is to increase this market share further. The Hyundai dealer network now covers the entire country giving you optimum access to dealerships for sales and aftersales. This highlights the progress of the brand as a whole and the confidence Irish consumers are showing in the Hyundai brand promise.

FLEET PROPOSITION

The expansion of Hyundai's model range has seen a widening of its fleet appeal with the brand now offering an outstanding selection of cars suitable for all career levels - from junior staff through to senior managers.

Hyundai's fleet proposition is stronger than ever, with high quality, generous levels of standard specification and low CO₂ emissions, all supported by the award-winning 5 Year Unlimited Mileage Warranty. This unique manufacturer warranty package includes 5

*Commercial vehicles: Year/100,000km Warranty

Year roadside assistance, and 5 Year vehicle health checks, helping to further reduce annual costs and increase residual values, resulting in attractively low leasing rates and peace of mind. We also offer our fleet customers a full and comprehensive range of purchasing options including hire purchase, contract hire and outright purchase. Hyundai Ireland also offer all of our customers peace of mind with the option of reduced cost servicing through our complete care servicing programme.

At Hyundai we realise the importance of delivering the lowest possible Total Cost of Ownership (TCO). This is why we continue to work hard to deliver market-leading products at competitive prices. We believe Hyundai's proposition is compelling as it drives down your fleet costs while rewarding your drivers with high-quality cars, equipped with the latest technology, that are engaging to drive and desirable to own.

FLEET BUSINESS CENTRES

Hyundai has developed a network of dedicated Fleet Business Centres across Ireland located in Hyundai dealerships. Each Fleet Business Centre serves local business needs with specially-trained staff that are able to handle fleet sales and aftersales requirements. Fleet Business Centres are geared up to save fleet customers time and money by looking after their servicing needs with centralised invoicing, extended opening hours and the provision of courtesy cars. In short, fleet customers are offered an experience tailored to their individual requirements, ensuring their businesses continue to run efficiently.

We are delighted that more and more Irish and International businesses are increasingly turning to Hyundai for their fleet solutions, and we thank all of our customers for choosing the Hyundai brand.

On the following pages, you can read more about our unique range of cars, commercial vehicles and services which we believe suit every fleet requirement.

Santa Fe CO₂ FROM 147g/km

The new Hyundai Santa Fe 7 seat model is a cutting edge, authentic SUV packed with advanced technologies. A design that features an ergonomic interior layout, sports luxurious quality seats, and ensures a quiet and smooth ride: state-of-the-art convenience features that offer the highest level of comfort; and the versatility of space that only an SUV can provide.

The Santa Fe offers seat variations that are easy to manipulate and extremely versatile. Luggage capacity depending on seating configuration ranges from 277-2025 litres.

The New Santa Fe comes with an electronic variable geometry turbo, producing 197ps/436NM of torque, the 2.2 CRDi diesel engines deliver high performance with fuel economy.

The Hyundai New Generation Santa Fe has been named as the safest car in its class assessed by Euro NCAP during 2012. This superb new seven seat Santa Fe is available in three levels of trim, Comfort, Executive and Premium.

SANTAFE

ix35 CO₂ FROM 139G/KM

Across the range, engines have been further improved to provide greater fuel efficiency and lower emissions. Hyundai's compact crossover utility vehicle, the ix35 enters 2014 with a design that instantly sets it apart as one of the most distinctive, visually appealing vehicles in its class. Conceived and engineered at Hyundai's new design centre in Frankfurt, the design, handling and ride reflect its excellent European lineage.

The 2014 Hyundai ix35 is the Crossover Utility Vehicle (CUV) that does it all. A great alternative to an MPV or SUV, it's the right size for daily use around the city, with space for five people and ample cargo space. The ix35 is available in a 2 wheel and 4 wheel drive that delivers a 50/50 torque split to the front and rear wheels for maximum traction, and a separate differential lock to assist in extreme circumstances. Towing capacity ranges from 750kg unbraked to 2,000kg braked, depending on model and variation.

The ix35 Limited Edition Celebration encompasses the following specification:

6 Airbags
Passenger Air Bag Deactivation Switch
ABS
Electronic Stability Control
Vehicle Stability Management
Hill Assist Control
Active headrest
Emergency Stop Signal

16" Alloy Wheels (Celebration and Comfort only)
Full Size Spare Alloy Wheel & Tyre
LED Daytime Running Light
Front Fog Lamp
Body Colour Door Handle and Bumper
Chrome Grill
Cloth Interior (Celebration and Comfort only)

Centre Console Armrest
Glove Box Cooling Function

Multi Media - Radio +CD+MP3+RDS+Clock)
USB +AUX
Manual Air-conditioner (Celebration and Comfort only)
Mud Flaps (Front & Rear)

The ix35 Comfort Model includes all of the Limited Edition Celebration Model Plus:

Rear Parking Assist System
Leather Steering Wheel and Gear Knob
Heated Seats (Front & Rear)
Bluetooth Hands free with Voice Recognition
Cruise Control
Multifunction Steering Wheel

ix35

"Revamped Hyundai Accelerates to Record share of Irish Market"

*Michael McAleer
Irish Times*

Specifications may vary. Please consult your local dealer for more information.

The ix35 Executive Model encompasses all of the Comfort Model specification plus:

17" Alloy Wheels
LED Rear Combination Lamp
Auto Light Control
Exterior Mirror Electric with Folding Function
Exterior Mirror Side repeater Lamp
Half Leather Interior (executive Model only)
Back Warning Camera
Manual Lumbar Support
Rear View Mirror (Electro-chromatic Mirror with Compass)
Dual Zone Climate Control

The ix35 Premium Model incorporates all of the Executive Model specification plus:

Solar Control Glass (with UV Protection)
Full Leather Interior
Panoramic Sunroof

ix35 COMMERCIAL

The ix35 is designed to challenge convention, technology that beats anything else in its price range and appeal that transcends traditional sales sectors. The ix35 comes with a dynamic chassis with an advanced multi-link rear suspension and a choice of 2 or 4WD drivetrains adds even further versatility and appeal to the ix35 range. The ix35 commercial offers a cargo area of 1579 litres.

All ix35's come with ESP as standard, the front seats have active head restraints as standard and all onboard safety systems, such as the 6 airbags and seat belt pretensioners work in conjunction with advanced rollover protection sensors within the ESP system to determine which safety aids need to be deployed in an emergency situation. All ix35's achieve a 5* NCAP safety rating.

The ix35 commercial is available in 2 and 4 wheel drive and comes in the Celebration & Comfort specifications.

i30

i30 Tourer

CO₂ FROM 110g/km

The new generation Hyundai i30 range, launched in Ireland early 2012, builds on the success of the original models. Enhanced design, higher performance, improved dynamics and lower emissions add to the appeal of the new car, which is longer, wider and lower than its predecessor.

The i30 Tourer offers 528 litres of cargo room with the rear seats in place. This expands to a huge 1,642 litres when the rear seats are folded down to provide a full flat luggage compartment. For greater protection as well as convenience, the i30 comes with a luggage power outlet, luggage net, hooks, and an under floor cargo box that provides even more storage space.

i30 Hatchback

CO₂ FROM 100g/km

Awarded the 5* NCAP safety rating the Hyundai i30 hosts a range of safety features to protect driver, passengers and cargo. LED daytime running lights and rear fog lamps with reflectors make you more visible to drivers approaching from behind.

Two front airbags, two side airbags, and two full length curtain airbags work in a fully integrated system to greatly reduce the risk of serious injury. A passenger airbag cut-off switch is also standard.

The i30 Classic specification:

- Electronic Stability Program, Vehicle Stability Management and Brake Assist Control are also standard across the i30 range.
- Split folding rear seat (60:40)
- Brake assist control
- 2 X 12V power outlet located in centre console
- Drive away door locking
- Manual air conditioning
- LED daytime running lights

The i30 Deluxe, encompasses the entire Classic's generous specification plus:

- Flex steer system (3 steering modes: normal comfort, sport)
- Cruise control with speed limiter
- 16" alloy wheels
- Automatic light control (lights switch on and off as needed)
- Voice recognition for audio system
- Voice activated Bluetooth™
- Adjustable front armrest with storage box
- Front seatback pockets
- Electric folding door mirrors

"Hyundai's impressive new motor ticks all the boxes – and at a nice price, too"

*Paul Keown
Sunday World*

i30 iPro Van

Coming to the Irish market in 2013, this i30 iPro brings brand new excitement to the roads. Offering users a smart stylish car van with class leading specification as standard and appeals to business users and individuals alike, it offers an attractive alternative to company car users who are looking to reduce their BIK (benefit in kind Tax).

Our 1.4 diesel engine produces 90BHP and an impressive 220NM of torque while remaining extremely economical by returning a low fuel economy.

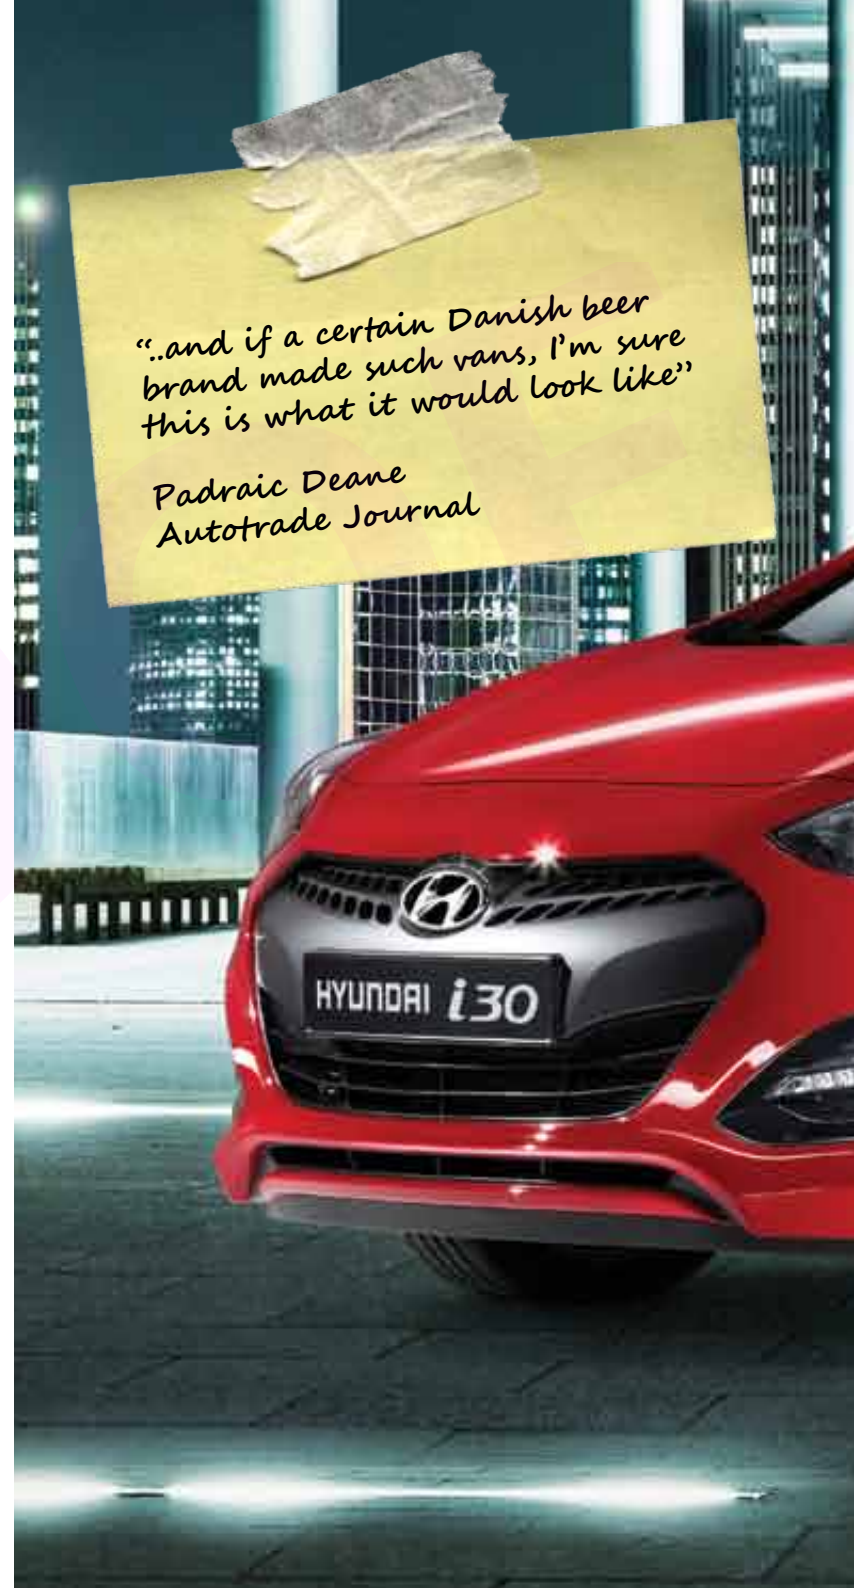

The spacious interior gives an impressive 1,316 litres of cargo area, ideal for all your business needs.

Standard equipment on the i30 iPro includes:

- Voice activated Bluetooth™ system
- 5* NCAP rating
- Front fog lights
- Cruise control
- Leather multi-function steering wheel
- 6 Airbags
- Brake assist control
- Audio system including radio/CD/MP3 compatibility /AUX + USB + iPod connectivity
- Electronic stability program
- Large front door pockets
- 2 x 12v power outlet located in the centre console
- Vehicle stability management
- LED daytime running lights

The i30 iPro XCEL encompasses all the specifications on the i30 iPro plus:

- Air Conditioning
- 15" alloy wheels
- Centre arm-rest with storage compartment
- Automatic light control

3 Year/100,000km Warranty

Veloster CO₂ FROM 137G/KM

An outline of confidence and robust modern contemporary design, Veloster's asymmetric 1+2 door concept design blends the style of a coupe with the functionality of a hatchback. On the driver's side, Veloster appears to be a two door coupe. On the passenger side there is a rear door (kerbside) for ease of access.

Veloster is available in a 1.6 GDI Engine (140BHP) with 6 Speed Transmission and CO₂ emissions of just 137g/km. To ensure that the Veloster Coupe easily makes the most of its power plant, it is fitted with a slick 6 speed manual gearbox.

Veloster

The generous specification includes:

- Rear view camera with parking sensors
- 5* NCAP rating
- 440 litres boot space
- Blue Drive™
- 18" colour insert alloy wheels
- Voice activated Bluetooth™
- Anti-lock braking system
- Electronic stability control
- Vehicle stability management
- Perimeter alarm (alarm will sound if a door or the tailgate is open)
- Fully automatic air conditioning
- Cruise control
- 3 spoke multifunctional steering wheel: audio/phone/trip computer
- Radio/CD/MP3/RDS.USB/AUX/iPod
- Automatic headlights (light sensor activates the vehicle headlights)
- Instant fuel consumption

"Practical and easy on the eye" "Veloster has more than a sporting chance"

*Michael McAleer
Irish Times*

ix20 CO₂ FROM 130G/KM

Stylish, spacious and practical, the new Hyundai ix20 is our liberating alternative to the conventional, boxy compact MPV. The 'fluidic sculpture' design language we used to create the car means that instead of sharp corners, you'll find smooth curves and clean, flowing lines.

As you would expect from a European design, it's well equipped with creature comforts and safety features across the range. And clever innovations like the folding, sliding and reclining rear seats provide plenty of versatility and extra space to suit your lifestyle.

The new Hyundai ix20 is available with a 1.4 petrol or 1.4 CRDi diesel and 1.6 petrol Automatic engine, both with 5 and 6 speed manual transmission respectively.

The Hyundai ix20 Deluxe model comes with the following as standard:

- Electronic Stability Programme (ESP)
- 6 Airbags
- Passenger airbag de-activation
- Hill start assist (manual only)
- Perimeter alarm
- ISOFIX child seat anchor points
- Manual air-conditioning
- Heated electric mirrors
- Electric windows front and rear
- 6 speaker Hyundai audio system with iPod,

Aux & USB input

- Bluetooth™ connectivity with voice recognition
- Multi function leather trimmed steering wheel
- Front fog lights
- Sliding rear seat
- Body coloured Bumpers and mirrors
- Reverse parking sensors

ix20

"It's got the ix factor"
Eddie Cunningham
Irish Independent

i20 CO₂ FROM 84G/KM

Introducing the stunning new i20, the perfect car to elevate your senses each time you step inside. The new i20 takes our Hyundai design to a new level of beauty and purpose, inside and out. With its fluidic sculpture design, a hexagonal front grille and striking LED daytime running lights (LED DRL on the Premium model only) the all new i20 creates an impression that lasts. Higher quality fabrics and trim create a delicious sense of touch. Every angle is sculptured to provide a bold stance, while adding to stability and control. The result is a Hyundai that looks as strong as it performs in every sense.

The all new i20 with ISG has one of the lowest emitting conventional diesel combustion engines in Ireland. This is achieved through using new technologies including intelligent Stop & Go that switches the engine off when coming to a complete stop and starts it again by depressing the clutch. The 1.2 engine is available in five door models only, in both Classic and Premium specifications. The 1.1 CRDi 75ps and 1.4 CRDi 90ps engine is available in Classic and Premium specification with ISG as an option. All engines are available with a manual transmission and an automatic transmission is available on the 1.4 petrol Premium model.

Hyundai i20 Specification List: (Classic Model)

- Multifunction steering wheel with audio controls
- Driver's seat height adjustment
- Driver's seat arm rest
- Advanced key with Easy Access and Burglar Alarm System
- Electric heating wing mirrors (with folding function)
- Electric front windows with one touch auto down control for driver's window
- Eco Drive Indicator
- Front fog lamps
- Audio, USB and Aux
- Idle Stop & Go (on selected models)
- Electronic Stability Program (ESP)
- Vehicle Stability Management (VSM)
- Anti-lock Braking System (ABS)
- Colour coded bumpers

The i20 Premium comes with the following in addition to the classic:

- 15" Alloy wheels
- Reversing camera
- Auto rain sensors
- LED - daytime running lights

- Bluetooth™ with voice recognition
- Privacy glass
- iPod connection cable
- Leather steering wheel and gear knob
- Reverse parking sensors
- Auto light controls
- Manual air-conditioning

FLEET BUSINESS

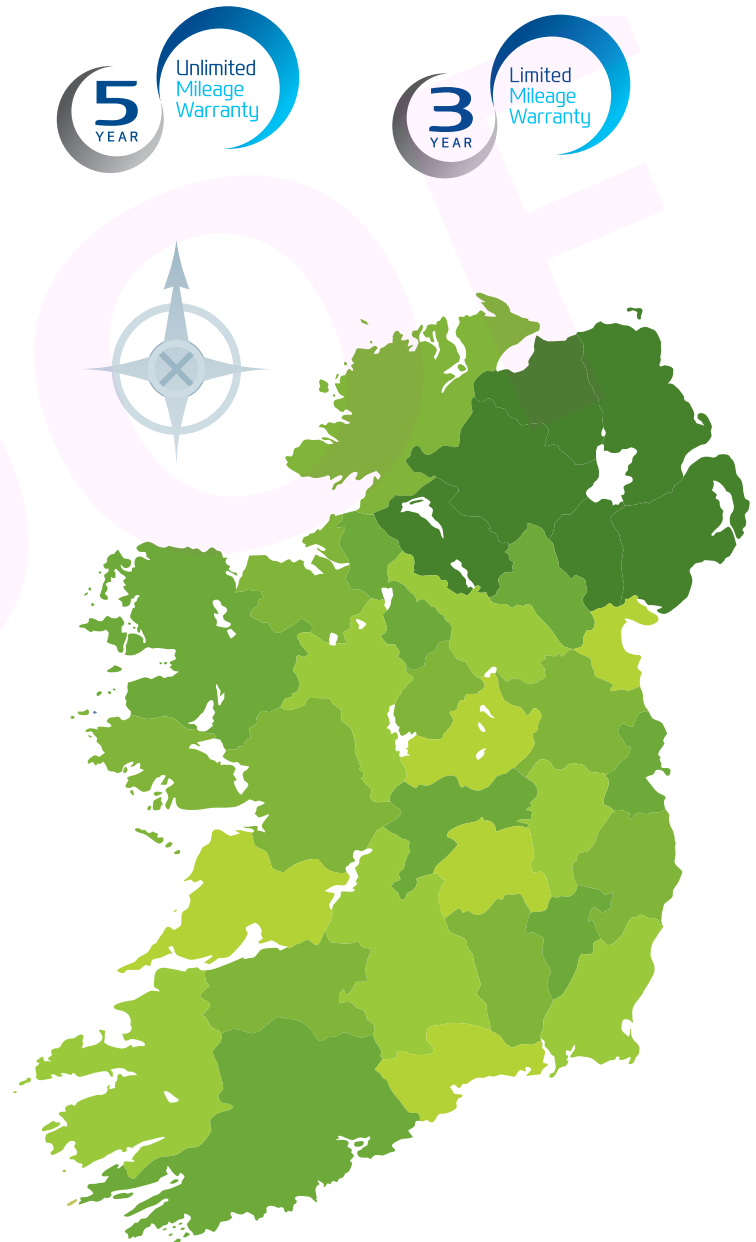

Hyundai Ireland's fleet service proposition is underpinned by our network of Hyundai Fleet Business Centres (FBC's) which have been strengthened in recent years in line with our policy of continued investment in our fleet personnel. These qualified, certified and authorised Hyundai Fleet Business Centres offer professional sales and service departments to fulfil your comprehensive requirements.

Hyundai Ireland are committed to offering the highest service standards for Hyundai fleet customers, combined with cost-effective purchase programs, efficient labour rate and spare parts offers.

The Hyundai Fleet Business Centres are aimed at all sized fleets and are staffed by FBC dedicated staff who are fully knowledgeable in all aspects of Hyundai products, aftersales, financing, insurance offers and maintenance aspects as well as the wider issues in the fleet industry.

The Hyundai Ireland FBC network has also been established to help save Fleet Business Centre customers both time and money. Fleets can benefit from preferred quick service and extended opening hours and a range of courtesy cars.

We at Hyundai Cars Ireland are committed to expanding the Hyundai network of Fleet Business Centres to ensure that wherever you are based in Ireland there is an FBC nearby to offer unique, customised solutions.

PASSENGER VEHICLES

Your Hyundai is built to the highest quality standards. To ensure your complete satisfaction, we also offer our highest level of warranty protection: the 5-Year Warranty that reflects our commitment to long-term quality assurance and customer care.

5-YEAR UNLIMITED MILEAGE WARRANTY

Your 5-Year unlimited mileage* warranty provides bumper to bumper coverage, including powertrain, plus a 12-year anti-perforation warranty. Your warranty is valid in 26 countries across Europe, excluding Russia, Croatia, and Ukraine.

CARE & RELATION

The promise of a generous brand that cares about consumer needs, listens to feedback, and is keen on understanding how it can make a difference to people's lives.

5-YEAR ROADSIDE ASSISTANCE

As part of Hyundai's commitment to aftersales excellence, we have teamed up with AA Ireland offering you Hyundai Assist Roadside Assistance.

STRESS-FREE

A commitment to improve the quality of the ownership experience over time.

5-YEAR VEHICLE HEALTH CHECK

In addition to your main service maintenance, your Hyundai dealer will perform a check on key elements of your Hyundai, including engine, transmission, steering, suspension, and brake systems, during your 5-year warranty period.

RELIABLE

A reassurance over Hyundai's quality product, aimed at reducing perceived risks and lowering barriers to consideration.

Hyundai is constantly focused on understanding the changing needs of our customers. This is why we carefully listen to your feedback, and never stop the search for new ways to increase your long-term satisfaction as a Hyundai owner.

We hope our 5-Year Warranty package shows our commitment, appreciation, and focus on ensuring a reliable premium ownership experience. Together with our dealers across Ireland, we look forward to serving you, and exceeding your expectations each time you turn to us.

*Vehicles used for taxi or rental car purposes are covered by a 3-year, 100,000 km warranty.

COMMERCIAL VEHICLES

In keeping with Hyundai's drive for excellence, your commercial Hyundai is designed and built with the utmost dedication of quality. To demonstrate our confidence in our product, we offer a manufacturer supported 3 Year/100,000km warranty on all new commercial vehicles. Currently all Hyundai i30 and ix 35 commercial vehicles are category "B" which means they are classified as car derived vans.

3-YEAR 100,000km MILEAGE WARRANTY

Your 3-year 100,000km warranty* provides bumper to bumper coverage, including powertrain, plus a 12-year anti-perforation warranty. Your warranty is valid in 26 countries across Europe, excluding Russia, Croatia, and Ukraine.

CARE & RELATION

The promise of a generous brand that cares about consumer needs, listens to feedback, and is keen on understanding how it can make a difference to people's lives.

3-YEAR ROADSIDE ASSISTANCE

As part of Hyundai's commitment to aftersales excellence, we have teamed up with AA Ireland offering you Hyundai Assist Roadside Assistance. Free roadside assistance is valid for three years, coinciding with your 3-year warranty period.

STRESS-FREE

A commitment to improve the quality of the ownership experience over time.

3-YEAR VEHICLE HEALTH CHECK

In addition to your annual main service maintenance, your Hyundai dealer will perform a check on key elements of your commercial vehicle, including engine, transmission, steering, suspension, and brake systems, during your 3-year warranty period.

RELIABLE

A reassurance over Hyundai's quality product, aimed at reducing perceived risks and lowering barriers to consideration.

At Hyundai, our focus is on building vehicles that match the way our customers do business, and to underpin every aspect of design, build and engineering with a total commitment to quality. We have invested heavily in research and development, and each vehicle undergoes stringent testing before being delivered to the dealer. In turn, our outstanding dealer network offers the expertise of highly-skilled Hyundai-trained technicians, who ensure that every Hyundai vehicle is properly serviced so that it maintains optimal performance.

The VAT content of these vehicles should be calculated with the VRT amount removed from the retail price. Please contact your local dealer for details.

NEW THINKING. NEW POSSIBILITIES.

People's expectation toward individual mobility requires more than just a convenient means of transportation. The old understanding of cars has become outdated. A car represents individuals' lifestyles, and has become an integral part of their lives. At the same time, the automobile industry has experienced seismic change.

Hyundai Motor Company has grown rapidly to become one of the largest automakers, backed by world class production capability and superior quality. We have now reached a point where we need a qualitative approach to bring bigger ideas and relevant solutions to our customers. This is an opportunity to move forward and we have developed a new brand slogan that encapsulates our willingness to take a big leap. Led by our new slogan and the new thinking underlying it, we will become a company that keeps challenging itself to unlock new possibilities for people and the planet.
